The best art and architecture shows to visit in 2024

by [Adrian Searle](#), [Jonathan Jones](#) and [Oliver Wainwright](#)

A puzzle ... 16 animals by Enzo Mari, 1959, produced by Danese Milano. Photograph: Federico Villa/Enzo Mari

The radical work of the Italian designer, campaigner and irascible iconoclast will come to the Design Museum in a wide-ranging retrospective. Bringing together hundreds of projects - furniture, children's books and games, product and graphic design, conceptual installations - it will show how Mari championed environmentalism, workers' rights and the social responsibilities of design, long before such causes became fashionable. **OW**
